Commissioner:

By certificate of mailing dated October 10, 2005, a PETITION TO WITHDRAW HOLDING OF ABANDONMENT UNDER 37 CFR 1.181(a) was filed.

The November 23, 2005, DECISION ON PETITION dismissed the Petition because the copies of the weekly prosecution calendars for the attorneys responsible for the prosecution of the above-identified application revealed the dates of the calendar to be February 28, 2004, through March 14, 2004. Enclosed herewith as renewed Exhibit C is a printout of the correct weekly prosecution calendars for D. Bruce Prout and Josephine E. Chang, the responsible attorneys for the subject application, for the period of February 26, 2005, to March 13, 2005. The Notice of Non-Compliant Amendment would have been docketed in these prosecution calendars had it been received and docketed. Also enclosed herewith is a Renewed Declaration of Daniel G. Ferris which now makes reference to the correct weekly prosecution calendars. Thus all the requirements of M.P.E.P. 711.03(c) have been satisfied.

**Application No. 09/530,145**

In view of what has been stated and the enclosed copy of the docket record, and the supporting evidence submitted in the October 10, 2005, PETITION TO WITHDRAW HOLDING OF ABANDONMENT UNDER 37 CFR 1.181(a), Applicant renews its petition to withdraw holding of abandonment without a petition fee, and requests that this application be passed to active status. However, the Commissioner is hereby authorized to charge any fees under 37 CFR 1.16 and 1.17 which may be required by this paper to Deposit Account No. 03-1728. Please show our docket number with any charge or credit to our Deposit Account. **A copy of this letter is enclosed.**

Commissioner:

I, Daniel G. Ferris, declare as follows:

1. I am the Supervisor of the Docketing Department of Christie, Parker & Hale, LLP. I have been employed in this capacity for about the past 10 years.

2. In the regular course of business in my department, my department docketed all U.S. Patent and Trademark Office mail, on a daily basis, received by Christie, Parker & Hale. I have reviewed our log for entries relating to U.S. Application Ser. No. 09/530,145, and have confirmed that our office did not receive a Notice of Non-Compliant Amendment dated February 2, 2005.

3. Attached as renewed Exhibit C are copies of the weekly prosecution calendars for D. Bruce Prout and Josephine E. Chang, between the dates of February 26, 2005 and March 13, 2005. As can be seen by the green line drawn across the pages on these calendars, no docket

**Application No. 09/530,145**

entry was ever entered for the one month due date of March 2, 2005, from the alleged mailing date of February 2, 2005, for a Notice of Non-Compliant Amendment.

I declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code, and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.
